Material Safety Data Sheet

Dixon Ultra! or Universal Correction Fluids

1. Chemical Product and Company Identification

Company Identification Dixon Ticonderoga Company
155 International Parkway
Hathrow, FL 32746-5036
Telephone: 800-824-9430

Date prepared: May 7, 2003
Last revised: November 13, 2002

Emergency call: 800-824-9430

Product Name Dixon Ultra! or Universal Correction Fluids

Product Code(s) 31900, 31910, 31911

2. Composition/Information On Ingredients

Component	CAS Reg. No	Percent Weight
Titanium Dioxide	13463-67-7	40
Acrylic Polymer	9001158	6
Naptha	64742-48-7	50
Dispersant	Not applicable	3
Colorants	Not applicable	1

3. Hazards Identification

Emergency Overview **CAUTION! Product Vapors are Flammable**
Packaging may be subject to ignition by fire and may release toxic or other irritating gases
Vapor is heavier than air and may travel some distance to the ignition source

4. First Aid Measures

Eye Contact Flush eyes large amounts of water for at least fifteen minutes. Contact physician
Skin Contact Wash skin with soap and water. Seek medical attention in the event that irritation occurs
Ingestion Seek medical attention; **DO NOT INDUCE VOMITING**
Inhalation If symptomatic, move to fresh air and seek medical attention

5. Fire Fighting Measures

Extinguishing Media Carbon dioxide, dry chemical or foam recommended. Apply water to cool exposed closed containers
Special Fire Fighting Procedures Self contained breathing apparatus (SCBA) and full protective equipment recommended
Unusual Fire and Explosion Hazards Packaging may be subject to ignition by fire and may release toxic gases
Handle like a petroleum solvent
Vapor is heavier than air and may travel some distance to the ignition source.

Flammability Data

Flash Point 44 F (closed cup method)
Flammability limits LEL- 1.00% UEL-7.00%
Auto-ignition temperature 96 c
Dust cloud ignition temperature No data
Dust layer ignition temperature No data

HMIS Ratings	
Health	2
Flammability	3
	0
Protective Equipment	B

6. Accidental Release Measures

Small spill Clean up with absorbent towels. Scrape and sweep up any hardened residue.
Place in appropriate containers for disposal. Keep away from ignition sources
Large spill Clean up with absorbent towels. Scrape and sweep up any hardened residue.

7. Handling and Storage

Handling Contents will stain. The use of smocks and gloves to protect personal clothing is suggested.
Wash hands and surface after use.
Storing Do not store near heat or open flame. Product is flammable.

Continued on next page

8. Exposure Controls/Personal Protection

Engineering Controls	The use of local ventilation is recommended
Personal protection	No special skin protection required. Wash skin if irritation is experienced. Eye protection is recommended

9. Physical and Chemical Properties

Physical State	Liquid
Appearance	Plastic cased opaque liquid
Color	White
Odor	Low odor solvent
Vapor Density	4.3
Specific gravity	1.32
Boiling point	300 F
Freezing/melting point	No data
Evaporation rate	>1
Solubility	Less than 1%
Vapor Pressure (mmHg)	185 F at 99mm Hg

10. Stability and Reactivity

General	This product is stable and hazardous polymerization will not occur. Avoid heat and flame.
Incompatibility	Avoid strong oxidizing agents
Hazardous decomposition	As with all burning organic matter, carbon monoxide and other toxic fumes may be released

11. Toxicological Information

Acute/Chronic Toxicity	Dermatitis may occur with prolonged contact
Carcinogenicity	Pre-existing lung disorders may be aggravated by over exposure to vapors
Mutagenicity	

12. Ecological Information

This product has not been evaluated for overall environmental effects

13. Disposal Considerations

Contain and place in approved container. Dispose of per Local, State, and Federal regulations

14. Transportation Information (Not applicable unless shipped by drums)

DOT Classification	Not regulated (US)	UN/NA Number	Not regulated
TDG Classification	Not regulated (Canada)	IMO/IMDG Classification	Not regulated
ADR/RID Classification	Not regulated (Europe)	ICAO/IATA Classification	Not regulated

15. Regulatory Information

OSHA Hazard Communication Status	This product is not considered to be a hazardous substance under OSHA's Federal Hazard Communication Standard 29 CFR 1910.1200
Toxic Substances Control Act (TSCA) Status	All ingredients of this material has been reported to the US EPA and are included in the TSCA inventory

16. Other Information

For further product safety information call 800-824-9430
